## Dr. Edward H. Hammond - President

Dr. Edward H. Hammond, is the eighth President of Fort Hays State University. President Hammond, a man of boundless enthusiasm and energy, whose style is upbeat and progressive, was born in McAllen, Texas, but reared in the Kansas City, Kansas, area.

Prior to his current post, President Hammond gained educational experiences and shared his expertise at the universities of Louisville, Seton Hall, Southern Illinois,

Purdue, and Missouri-Columbia. The President holds bachelor's and master's degrees from Emporia State University and the Ph.D. from the University of Missouri-Columbia.

President Hammond has been extremely active since assuming the leadership of the University in the summer of 1987. He laid the groundwork for the Western Kansas Educational Compact, a cooperative educational initiative between FHSU and the community colleges in Western Kansas; has watched his dream to totally computerize the campus become a reality; created a Western Kansas Coalition, an organization comprised of business and community leaders from 54 Western Kansas counties; helped to establish scholarship programs for potential minority school teachers at Garden City and Liberal; has played a major role in furthering economic development in Hays and Western

Kansas; and introduced a voice mail system that vaulted the foreign language efforts of FHSU into an elite class. He promoted the completion of the Beach/Schmidt Performing Arts Center, for the cultural development of the area and launched the expansion of Sternberg Museum to a new location soon on Interstate 70. He obtained federal and state funding for a new \$12 million science building and completed a \$20 million Capital Campaign to raise private monies for the enhancement of many FHSU programs.

President Hammond has published widely and is in demand nationally as an educational consultant because of his expertise in risk management, staff and institutional liability, sexual harassment, and alcohol education issues.

The Hammond family includes wife Viv (Hammeke), formerly of Ellinwood, daughters Kelly and Julie, and son Lance.

## Tom Spicer - Director of Athletics

When Tom Spicer was named director of athletics at Fort Hays State University on July 27, 1989, he said it was a dream come true. Spicer is starting his fifth year as director of athletics and has emphasized a return to athletic and academic excellence.

A native of Beaver, OK, Spicer attended secondary schools in Hays. He is a graduate of Hays High School and

earned a bachelor of science degree from Fort Hays State in 1972. He played varsity football for the Tigers during his collegiate days. Spicer received his master of science degree from FHSU in 1977. He is completing a specialist in education degree with work at both Southeastern Oklahoma State University and The Wichita State University.

Spicer is largely responsible for the improvements that were made to Lewis Field Stadium. Through his continued efforts the 1936 stadium was renovated with new synthetic surfaces on both the football field and track. The native limestone structure was sandblasted to its original color. His fund-raising efforts have led to improved funding of the Tiger athletic programs, allowing student athletes the opportunity to attend FHSU.

Prior to making the move

back to FHSU Spicer was the director of athletics and dean of student affairs at Butler County Community College. He also has experience as director of athletics, physical education instructor, head football coach and track coach for the Durant, OK, School District.

Previous to his work in Oklahoma, he taught and coached at Salina South High School, at Bishop Miege High School in Shawnee Mission and at Schlagle High School in Kansas City, KS.

Spicer is married to the former Kathy McGovern of Colorado Springs, CO. She received a bachelor of arts degree in sociology from Fort Hays State in 1972. The Spicers have four children: Matt, Amber, Kristen and Allison. Matt, a redshirt freshman, is a member of the FHSU football squad.

# Fort Hays State Football - Outlook '94

Fort Hays State head football coach Bob Cortese returns 16 starters from last year's squad that captured the Rocky Mountain Athletic Conference crown and made the school's first appearance in the NCAA II playoffs. The 1993 Tigers went 8-4 on the season, 6-1 in the RMAC and won a school record eight games for the third time in Cortese's four years. Cortese coached the Tigers to the school's only two playoff appearances in 1990 (NAIA) and 1993 (NCAA II). The team has already received early pre-season honors having been ranked 10th by *The Sporting News* and 11th by *Street and Smith's* among NCAA II teams. Coach Cortese's staff will include some new faces this season in defensive coordinator Scott Noble and offensive line coach Bruce Cowdrey. Tim O'Connor who has been a graduate assistant the past two years working with the linebackers stays on as a fulltime member of the staff.

## OFFENSE

Offensively, the Tigers will again be led by junior tailback Clint Bedore, a *Street and Smith's* pre-season All-America selection, who gained 1,619 yards as a sophomore. Bedore, a 1993 All-RMAC selection, averaged 134.9 yards per game to rank 20th among NCAA II rushers. Blocking fullback Woody Bryant returns for his second season wearing the Black & Gold to open holes. Transfers Earnest Williams and Emmett Pride give the Tigers added depth in the backfield. Williams transfers to FHSU from the Univer-

sity of Oklahoma and Pride from the University of Indiana.

### CORTESE ON THE OFFENSE:

*It starts off with the running backs. In this case we've got excellent talent back there. The tailbacks and Dustin McEwen give us a pretty good offensive backfield. My biggest concern is that we don't have a lot of big folks up front and the depth is not very good there. I think our receivers are going to be adequate. Wahlmeier and Schwindt give us two good targets to throw to and hopefully Rucker and Pritchett can fill in the speed positions.*

Senior quarterback Dustin McEwen sustained a foot injury in the Tigers first game last season and was hampered throughout the year. McEwen looks for a repeat performance of his sophomore year when he threw for 2,155 yards and 18 touchdowns. The receiving corps of tight end Mark Wahlmeier, and wingback Lance Schwindt provide McEwen with reliable targets. Schwindt also saw time at quarterback in McEwen's absence leading the team to victories over Nebraska-Kearney and Mesa State.

The offensive line must be rebuilt with only two starters returning in tackle Dolyn Jackson (6-3, 298) and guard Steve Pickle (6-1, 255). Transfers Cliff Sennett (Northern Arizona) and Thomas Hebert (Idaho State) are expected to fill two spots vacated by graduation. At 6-6, 292 pounds Sennett is penciled in at the tackle spot opposite Jackson. Hebert (6-2, 273) played primarily center and could be used in that role this year to replace two-time All-RMAC center C.J. Haberkorn.

## DEFENSE

FHSU's defense returns nine starters from a squad that ranked first in the RMAC last season. The Tigers new defensive coordinator Scott Noble must find replacements for unanimous All-RMAC selections Aaron Mata and Jared Marshall who were lost to graduation. Also gone from the lineup is four-year starter David Foster who had 117 total tackles last year. Foster played both linebacker and safety for the Tigers and was a second team RMAC squad selection last season and first team choice following his junior year. Tackles Jeremy Hawks (6-4, 261) and Daren Organ (6-3, 261) along with ends Scott Dettmer and Brian Haynes give the Tigers experience on the defensive front. Defensive end Steve Porter (6-3, 237) and nose guard Billy Helton (6-1, 230) are two junior college transfers that will be given the chance to make an immediate impact this season.

### CORTESE ON THE DEFENSE:

*I'm pleased but we've got a few guys who came back hurt. Junior college transfer Billy Helton has a bad knee and has yet to practice. Daren Organ had a softball mishap and he hasn't practiced. When those guys get back and get in shape they will give us a good nucleus. Jeremy Hawks is a good football player and the addition of Steve Porter along with the returners give us a solid defensive front. Our linebacker corps is okay and our secondary is probably as good as it's ever been.*

# Fort Hays State Football - Outlook '94

Two of three linebackers return in Aaron Foist and all-conference selection Jose Salcido. Salcido tied for team high honors with 117 total tackles and had six interceptions on the season. Foist made the transition from tight end and tallied 110 total tackles, good for third on the team. Redshirt sophomore Clint Newell missed last season with a knee injury and should challenge for the outside linebacker spot opposite Salcido. Sophomore Jason Flax along with senior Travis Morin give the Tigers depth at linebacker. Dodge City Community College transfer Shawn Starr (6-1, 226) can play either the inside or outside linebackers spot giving the Tigers flexibility in the linebacker corps.

Two Johnsons return to play cornerback for the Tigers again this season. Donovan, an All-RMAC selection, returned a fumble, interception and a blocked field goal for scores to record three defensive touchdowns last season. Donovan was named *Sports Illustrated* and *USA Today* player of the week for his play against Adams State College

last season. Romario missed three games with a knee injury but still managed to intercept three passes. Sophomore Keith Eck returns at safety where he started several games as a redshirt freshman last season. Junior college transfers Kevin Jones and Mike Watkins along with redshirt freshman Brock Hutchinson add depth to the secondary.

as a freshman which earned him second team All-RMAC honors. Cortese is looking for a punter since Todd Pene will not return for his senior season. Tailback Clint Bedore returned punts last season averaging 8.2 yards per attempt. Rucker started the '93 season returning kickoffs and punts until an ankle injury sidelined the freshman. Rucker could again return kicks this season.

## SPECIAL TEAMS

The majority of the special teams players return for the 1994 campaign. Place-kicker Ryan Achilles was good on 88% of his extra points and 61% of his field goal attempts

### CORTESE ON THE SPECIAL TEAMS:

*Punting is my only concern. I think punt return and kick-off return are going to be solid this year. Earnest Williams and Donovan Johnson along with Rucker and Bedore give us quality return people. Ryan Achilles will be as good or better than last year. My concern is finding a punter that can get the ball off and not get us in trouble when we're playing field position.*

## SCHEDULE

A tough early season non-conference schedule has the Black & Gold playing three of their first four games on the road, including trips to Emporia State and Pittsburg State to open the season. A home game against Central Oklahoma is followed by a trip to Nebraska-Kearney before conference play begins.

### CORTESE ON THE SCHEDULE:

*It's a typical Fort Hays State schedule. Since I've been here we've always played the best teams in the country early in the season. It's good to play good competition. It helps us for the conference championship.*

# Bob Cortese Head Football Coach

Bob Cortese took over a struggling Fort Hays State football program in 1990 and led the Tigers to an 8-4-0 mark and the school's first ever post-season playoff appearance. Tiger teams have tallied eight victories in a season five times and Cortese has accomplished that feat three times. A year ago he led the Tigers to the school's first Rocky Mountain Athletic Conference football title since joining

the league. He has coached the Black & Gold to both of the school's playoff appearances in 1990(NAIA) and 1993(NCAA II).

Cortese has won 30 games in four seasons as head coach of the Tigers placing him third on the all-time FHSU victories list. Nationally he ranks third among active NCAA II coaches in winning percentage and 11th in career victories. The 100-win plateau came when the Tigers won their final game of the '91 season. His overall record now stands at 114-38-3 in 14 seasons as a collegiate coach.

Cortese was named the 18th head football coach in FHSU history, December 29, 1989, after 10 years as head coach at Mesa State College in Grand Junction, Colorado. The Mavericks landed six NAIA playoff berths while establishing an 84-22-3 record with Cortese as head coach. Mesa State posted records of 2-8 and 1-8 during the two seasons prior to Cortese's appointment as head coach. He only had one losing season with the Mavericks and never lost more than three games in any season after his first year.

Along with success comes honors. Cortese was named the NAIA District 7 Coach-of-the-Year six times. He also was a runner-up for NAIA National Coach of the Year honors in 1982 & 1983. In his first year at FHSU he duplicated those honors with NAIA District 10 and runner-up NAIA National recognition.

As a collegiate athlete, Cortese excelled on the football field at Northeastern Junior College in Sterling, CO, where he earned J.C. Grid-Wire and UPI All-America honors in 1962. He went on to spend two successful seasons with the University of Colorado. He earned a bachelor of science degree from Colorado in 1967 with a major in physical education. He completed work on a master's degree in curriculum and instruction with an emphasis in vocational education at the University of Northern Colorado in 1973.

After his playing days at the University of Colorado, Cortese spent two seasons as a graduate assistant in the program and later returned to the program under both Bill Mallory and Chuck Fairbanks as a full time assistant.

Cortese was a prep coach in Colorado at Lakewood High School (1979-80), Arvada Senior High School (1974-77), Highland High School (1971-74), and St. Joseph High School (1969-71). His coaching mark at all levels is 204-69-4 in 25 seasons.

Cortese is married. His wife's name is Toni. Bob has two sons, Jim and Jeff, and Toni has two daughters, Michelle and Andrea.

# Lewis Field Stadium

Lewis Field Stadium, the 7,000-seat home of the Tigers, received a major facelift prior to the 1993 season. The native limestone structure was refurbished to its natural state when 57 years of weathering was sandblasted away.

The grass football field and cinder track were replaced with state of the art artificial surfaces.

The new football field is STADIA-Turf, an artificial playing surface. The green turf lies upon a rubber surface and beneath it is a layer of crushed rock which allows for maximum drainage. Both end zones are gold with black let-

tering spelling out Fort Hays in the north and Tigers in the south.

The new 8-lane rubber and polyurathane track was named the Alex Francis track, to honor the former Tiger track & field coach. The majority of the field events are conducted outside the north wall.

Lewis Field was constructed in 1936 on what was formerly the Golden Belt Fairgrounds, and was named in honor of William Alexander Lewis, president of Fort Hays State University from 1913 to 1933.

The field is located beside a spacious tree-lined drive and is just a short walk from the

campus residence halls and the downtown business district.

Dressing rooms, concession areas, athletic training facilities, restrooms and equipment storage rooms are located under the grandstands. An overhaul of the Tiger locker room was completed just before fall practices in '90 with a synthetic floor, a false ceiling and new paint providing an entirely different atmosphere. A new stereo system was also installed.

Admittance to the stadium is allowed through two main gates, one on the east side and one on the west side. Four ticket windows are in service for each game.

Atop both grandstands are press box facilities which provide seating for writers, statisticians, radio stations, scouts, and film/video crews. The visitor's coaches box and all film/video crews are located on the west side.

The east side is made available for all press, radio, FHSU sports information, visiting information personnel, public address, scoreboard operations and a private box for the president of the university and guests.

Outside the limestone wall to the southeast are two football practice fields.

**GUNNISON, CO (Nov. 6)** Trailing 14-10 late in the third quarter and facing a fourth-and-two at the WSC 46-yard line, FHSU decided to go for the first down. Tailback Clint Bedore was stopped for no gain and the Mountaineers took over. Seven plays later WSC quarterback Tim Thenell scored what proved to be the deciding score, on a 5-yard TD run, just 15 seconds into the fourth quarter. Thenell added the extra-point for 21-10 advantage. Gene Conger caught a 2-yard TD pass from Thenell for the final WSC score of the game and a 28-10 advantage. Bedore scored a TD with 28 seconds left in game on a 4-yard scamper making the final score 28-17.

FHSU took the early lead on the strength of an Achilles 40 yard field goal. WSC scored on the very next play when LaVon Reis returned the kickoff 97 yards for a TD. Thenell's extra-point kick made the score 7-3. With 53 seconds left in the first quarter Lance Harris intercepted a Dustin McEwen pass returning it 55 yards for a score which pushed the WSC lead to 14-3. A McEwen 23-yard TD run and Achilles extra-point cut the WSC lead to 14-10 at halftime. A scoreless third period by both teams resulted in the action-packed fourth quarter.

Despite outgaining the Mountaineers 386 yards to 219 yards the Tigers were plagued by four turnovers which resulted in 14 WSC points. FHSU's six-game winning streak and perfect conference mark were both snapped. Bedore's 146 yards rushing extended his streak of consecutive games over 100 yards rushing to six games.

# Fort Hays State University

Founded in 1902 on the Plains of Western Kansas, Fort Hays State University is the second youngest of the state's six universities of higher education.

From an exciting beginning, when 34 students were greeted by two faculty members and a 19-course curriculum, our University has grown to a student body of 5,800, a faculty of nearly 300, a support staff of 250 and a curriculum comprised of more than 1,500 courses.

Fort Hays State University is governed by a Board of Regents appointed by the Governor of the State of Kansas.

The main campus sits on 200 of the 4,160 acres owned by the state of Kansas and deeded to the University. Winding Big Creek, with its shady, grassy banks, traverses the campus and provides not only

a tranquil, conducive learning atmosphere, but also serves as a natural laboratory for students in the biological sciences. Our campus has often been called the prettiest in Kansas.

FHSU is located in Hays, the largest city in northwest Kansas. A progressive city of 18,000 people, Hays is an old cow town on the Union Pacific railroad. The old and the new blend beautifully to form a city that is small enough you can feel comfortable in, yet is large enough to provide culture and shopping facilities second to none.

The University is comprised of four colleges: Arts and Sciences, Business, Education, and Health and Life Sciences, and a Graduate School.

FHSU is academically superior to many comparable universities, offers

students an electronic learning and living environment and is richly endowed by heritage and tradition. Surveys of our students show that while there are a multitude of reasons why students come to our University, their overwhelming response is always "because of the University's reputation for academic excellence and its caring faculty."

Fort Hays State University supports one of the most extensive intercollegiate sports programs of any comparable size college or university in America. More than 350 athletes annually compete in eight men's and six women's sports.

FHSU is a member of the Rocky Mountain Athletic Conference which is comprised of nine schools from the states of Kansas, Colorado, Nebraska and New Mexico.
